

WESTSIDE FAMILY HEALTHCARE

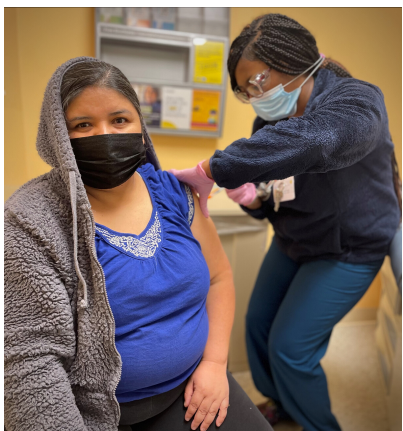

NEIGHBORS HELPING NEIGHBORS

2022 FUNDRAISING CAMPAIGN

Westside Family Healthcare is Delaware's largest Federally Qualified Health Center with five health centers and a mobile health unit, serving 25,000 patients statewide. Our mission is to improve the health of our communities by providing equal access to quality healthcare, regardless of ability to pay. We reach beyond conventional medicine to address the social, emotional, and economic factors that affect the health of our patients.

Support our 2022 fundraising campaign, *Neighbors Helping Neighbors*. This fund helps our patients who are facing extraordinary circumstances and in need of essential resources. Your sponsorship to Westside will be used for supplies that address the social determinants of health, like healthy food, hygiene items, warm coats and hats, school supplies, and other needs that arise. Our sponsors help us provide comprehensive care to all while increasing our neighbors' well-being, social supports, and quality of life.
